POLICY

MAILBOXES WITHIN OSCEOLA COUNTY ROAD COMMISSION RIGHT OF WAYS

The following policy was adopted by the Osceola County Road Commission at their regular meeting held October 14, 2010.

MAILBOX STRUCTURE INSTALLATION IN OSCEOLA COUNTY ROAD COMMISSION ROAD RIGHT OF WAYS

- Mailbox posts, mailboxes, and any apparatus or attachments shall be placed and be of a design that doesn't interfere with or present danger of injury to users of road right of ways. Upon determination of the Road Commission that a mailbox structure in whole or in part is of a nature to interfere with or cause injury to users of road right of ways, owners of the structures will be notified of the determination and shall immediately remove said structures.

MAILBOX STRUCTURES DAMAGED BY ROAD COMMISSION OPERATIONS

- Mailboxes and/or posts that are damaged or destroyed by the force of snow being removed from the roads or by collision with Osceola County Road Commission equipment will not be repaired or replaced by the Osceola County Road Commission.

I certify that the above is a true copy of a resolution adopted by the Osceola County Road Commission at their regular meeting held October 14, 2010.

William Huss, Clerk
